Dr. Lederberg,

There are two cumulative indexes for
ANNUAL REVIEW OF BIOCHEMISTRY covering volumes
1-10 and 11-20. I checked the cumulative indexes,
and the indexes for the single volumes following
from 21 through 45, and found only two references
to L.P. Garrod. However, I did not check volumes
40, 43, 46-48, as these volumes are currently in
circulation.

If you need further searching done on this
author, or prefer a different strategy, please
inform me and I will be happy to do it.

Thank you,

Pat Mackey
